Introduction

On the single roll of this microfilm publication, M2019, are reproduced records relating to War of 1812 prisoners of war. These records are part of RG 94, Records of the Adjutant General's Office, 1780's-1917, and are designated as Subseries 2 of Entry 127 in the National Archives Preliminary Inventory (PI) 17, *Preliminary Inventory of the Records of the Adjutant General's Office, 1784-1947*. The records primarily concern American soldiers, but some also relate to civilians and British soldiers.

Background

The care and exchange of prisoners was primarily handled for the United States by John Mason, appointed in the spring of 1813 to the dual post of Commissary General of Prisoners and Superintendent of Alien Enemies. Agents employed in Canada, such as Robert Gardner and John Mitchell, assisted with these tasks. Under the terms of the cartel agreed to by the United States and Great Britain on May 12, 1813, no military or naval officer placed on parole could take up arms again until he had been officially exchanged.

Records Description

On March 30, 1917, the records included in this publication, originally on file in the Treasury Department, were sent to the Adjutant General's Office, where they were arranged, numbered, and indexed. They were assigned a manuscript number ranging from 1 to 94, perhaps indicating an original intention to arrange them in regimental order. Some are oddly numbered, such as 10 1/2 and 92 1/3, apparently where records on topics similar to the whole number (i.e., 10 and 92) were later inserted into the sequence. The manuscript number was usually annotated on the reverse side of the record, along with a number written in a circle which refers to the number of names for which an index card was created.

Most of the manuscripts are lists of prisoners, although there is some associated correspondence. There are also the following lists:

1. Accounts of the types, amounts, and value of clothing provided by U.S. agents to prisoners held in Canada.
2. Soldiers captured at a certain place or in a particular battle.
3. Prisoners of war held at a certain place.
4. Prisoners who died in captivity.
5. Men exchanged.

Related Index

An index to the records reproduced in this microfilm publication is on the three rolls of M1747, *Index to Records Relating to War of 1812 Prisoners of War*. The

index is arranged by the individual's name, and indicates the manuscript number and, within a multi-page manuscript, also the page number where information concerning that person can be found. If available, the soldier's rank and the regiment and company in which he served is also noted.

Related Records

Other records of the Adjutant General's Office relating to War of 1812 prisoners of war include miscellaneous numbered and unnumbered correspondence concerning British and American prisoners (PI 17, Entry 127, Subseries 1), which has an incomplete name and subject index (PI 17, Entry 128). There are also unindexed lists of prisoners which the Adjutant General's Office received from the Navy Department on November 22, 1907 (PI 17, Entry 127, Subseries 3).

As a result of its responsibility for diplomatic relations, the State Department also created records concerning War of 1812 prisoners of war. These records, from RG 59, General Records of the Department of State, include lists of American and British prisoners of war and correspondence concerning their exchange. The records have been microfilmed on the seven rolls of M588, "*War of 1812 Papers*" of the Department of State, 1789-1815.

Related Publications

Several publications contain information about the care and exchange of War of 1812 prisoners of war. Original correspondence regarding these matters is reproduced in William S. Dudley, Ed., *The Naval War of 1812: A Documentary History, Volumes I and II* (Washington, DC: Department of the Navy, 1985, 1992). Detailed accounts of the war, including references to prisoner care and exchange, can also be found in Benson J. Lossing, *The Pictorial Field-Book of the War of 1812* (New York: Harper & Brothers, 1869), and John K. Mahon, *The War of 1812* (Gainesville: The University of Florida Press, 1972).

Sir

Amongst the Prisoners who are confined at Sedgwick
 Town are thirteen who say they deserted from the British
 Service & voluntarily surrendered themselves to the American
 forces or some American Citizen. They have been uniform in
 this Assertion & I believe it correct. They have manifested
 fear for their Personal Safety from the other Prisoners & several
 of them are now by their own choice in goal on that account.
 it would be hard to expose them to the consequences attending
 an exchange under these circumstances & I do request for them
 (if you see no objection) that they may be discharged -

I have the Honor to be

Certificate of M. C. Jones a justice of the peace for
St. Marys county, state of Maryland..

I hereby certify, that Thomas L. Hall (who
is now detained on board one of His
Britannic Majestys ships, now in The
Chesapeake Bay) is a native citizen of
the united States, and has a family in the
neighbourhood of Point Look out - that
the said Hall, was dispatched by the captain
of the company to which he belonged, to
reconnoitre the position of the enemy then
lying between the mouth of St. Marys-
River, and Point Look out, and while
on that duty, was taken by a detachment
of the enemy, in whose possession he still
remains - that he held the Commission of
Ensign of the county Militia, and none
other, but was unarmed. -

Given under my hand
this fifth day of August.

to the Secy of War resp
the exchange of Captain
Loring

H. I. Fort Erie September 20th 1814

Sir

Among the Officers lost to this Army in the
Battle of Niagara Falls, was my Aid de Camp Captain
Ambrose Spencer, who being mortally wounded was left in
the hands of the Enemy. By flags from the British Army,
I was shortly afterwards assured of his continuance, and
an offer was made me by Lieutenant General K. to recommend
to exchange him for his own Aid, Captain Loring, then a
Prisoner of War with us. It ever singular this proposition
appeared, as Captain Loring was not wounded, nor had
received the slightest injury. I was willing to comply with it
on Captain Spencer's account; but as I knew his wounds
were severe, I first sent to ascertain the fact of his being
then living. My messenger, with a flag was detained,
not even once permitted to see Captain Spencer, though in
his immediate vicinity. The evidence I wished to acquire

sailed, but my regard for Captain Spencer, would not permit me
longer to delay, and I informed General Drummond that
his Aid should be exchanged even for the body of mine. This
offer was no doubt, gladly accepted, and the Corpse of Captⁿ
S. sent to the American Shore.

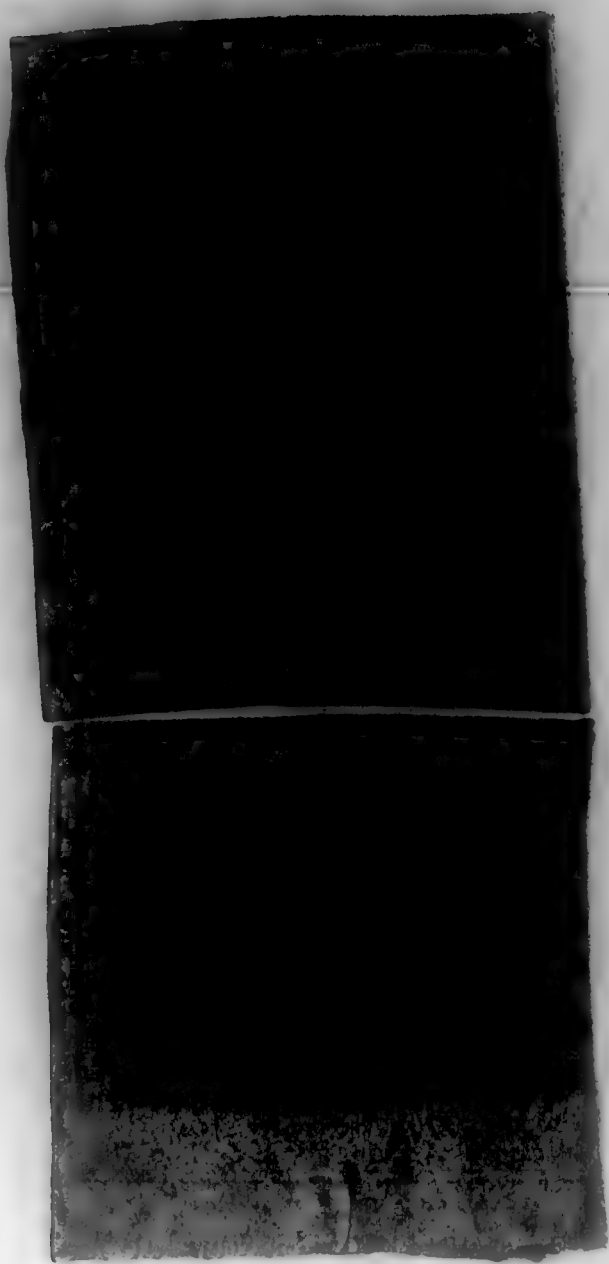

Indignant, as I am, at this ungenerous pro-
cedure, I yet hold myself bound in honor to Lieut & General
Drummond to retain Captain Spring; and must, therefore,
earnestly solicit of you his immediate release. He can
return to Lieut & General Drummond by way of Montreal.

Very Respectfully

Sir

Sir,

I was honored with the journal of a Petition from H. Giltner & seven others to you, for Clothing. I know not why this was sent to me. The Petitioners are persons who had withdrawn Allegiance from the United States before this war, or who have since sworn Allegiance to the British Government. To whom they ought to be faithful. They are not therefore American Citizens & I cannot consider myself justifiable in affording them any support. — I had however not having taken the oath of Allegiance tho' a volunteer in your service. — may be an exception. He was not taken in arms & according to the article should not be considered a prisoner of war. — if however you do so consider him, I will provide for him with pleasure —

I am directed to represent to you the distressed situation of the American Prisoners of War now in this Garrison, as it respects their clothing. — The Fortune of War having placed them in our hands on the Field of Battle, it cannot be supposed that they are well provided with necessaries. The fact is, that no man has his pack, therefore all are equally destitute of the means of changing their body cloths, the consequences are obvious. Health and comfort must ensue. Should they not speedily receive a supply, to effect which laudable purpose I beg to offer my services. I shall cheerfully co-operate with you in any plan which you may think proper to suggest. — There are about seventy at present here & I have been informed that there are

about twenty more, at Prescott recover from wounds, who may be expected at no distant period — I am the Honor &c

Sir

At this important season of the year I should feel myself neglectful of duty were I to omit — again, to ask of your Excellency permission to come to Dubu & afford such relief as I am able, to my Countrymen confined there, both as Hostages & Prisoners, & to examine into their situation. I wish the Noncommissioned Officers and Privates to have a small sum of money & other necessaries

And

And I wish also to extend the same relief to those
at Montreal, who must be suffering for want of it.

I understand that the situation of Major Vande-
Venter & his associates in the late escape is extremely
uncomfortable. if Major Vanderventer could be placed
on the same footing with the other Field Officers. it
would afford him relief and I feel assured your Excellency
might safely rely on his honour. & the other Gentlemen
I trust will receive your Excellency's consideration. It
is my duty to ask in the most urgent but most
respectful terms for the Permission above stated. as
the Prisoners think hard of being neglected. Your
Excellency's compliance, will greatly relieve them and
myself and your refusal will furnish me the best
apology to my Government.

By order of the Secretary of War, I have the
honor to enclose a roll of a part of the
prisoners of war now on parole at Foster. It shows
the time of service or engagement, which appears to be
from this to four years yet to service. It is probable
they would be exchanged first, but they are uncertain
if we are anxious again to take the list.

Very respectfully,
Wm. H. B. Brew

Gen. Sup. Genl.

John H. (Major)
Gen. Sup. Genl.

Sir,

The enclosed copy of an account of Exchange of
Brigadier-General Hull, and certain other American Officers
therein named, for a stated number of British prisoners

to Gen^l Dearborn, I have been informed that Lieut. Larn-

Adams, on the Lakes: I have therefore requested the
General to ascertain that fact, and in the event of its
verification to substitute for him Thomas S. Jessup, also
a first lieutenant, which will leave the Exchange, as
to number, precisely as it originally stood.

I have the Honor to be,

Dear General

Sir

The individuals whose petition is enclosed have forwarded to me their claims for balance of pay due them while in the service of the U.S. When presenting these claims to Mr. Hager he informs me that if information can be procured from the records in relation to prisoners, of the Period, & date of their release from captivity it will enable him to settle their accounts & render unnecessary an application to Congress. I deem therefore to require the favor of an examination, in this respect & should the answer on the roll of your office be solid in their behalf, a statement of such facts as you may deem useful —

No 24-

Sir

Montreal April 24. 1814

To-morrow Morning, at an early hour. our countrymen who have been Prisoners here - depart for the United States - The Officers of the Militia of New York taken at Black Rock I knew for some time past to be here, but expected they would be exchanged, as the Governor General told it was for this purpose they were detained at Montreal, & that if otherwise they would be sent to Quebec - Of the Private's being here I had no knowledge till late in March & then learnt their wretched situation with respect to clothing - I immediately asked permission to come to their relief, which was very promptly granted me - as soon as I could get made the thing I was notified they needed I set off & after four days travel arrived here the first day of April - (my health not permitting me to travel farther) - my clothing did not get here for ten days after me, the roads being so bad & the ways so impracticable - I have paid the Officers above named two months pay & they have (contrary to my Opinion) claimed & received, another months pay from the British Government - To the Men I have paid each a small sum - say \$4 - to one man of the 24 Reg^t whose wife died here two days since \$9 - (Joseph Bledsoe) - and have also delivered to all of them comfortable clothing &c - some of them however I am sorry to say - sold their clothing as soon as received & others - gambled away their money - by which you will know a little of my trouble with them - there are many of a different character, but it is but for themselves & families - if they have any - to furnish them with but little money here - We have lost many by Inducement in the British Army - who previously declare themselves not to be American Citizens - of this more hereafter - Statement of the above Payments & Supplies I have forwarded to the Commanding Officer at Plattsburg, to take the necessary steps to stop the accounts from the Out of the individuals if they apply there or at any Military Post for Settlement of their accounts - The Prisoners from Quebec will follow in a few days - I shall be there and shall then - if possible - send the regular accounts - If our Officers there want more fresh or the Men further Supplies, I shall have to draw on you again - but this I shall not do - if

I can avoid it— I inclose you a List of American Prisoners
who have died at this place, since I came into the Province
it may afford a melancholy relief to the anxiety of their Friends
to publish it— it is my Duty to state that the Hospital here is
in an airy, good Situation, our Men are treated as they treat
their own & on my questioning of them, they said they were
kindly treated— Of the Situation of our well Men, while
confined in Goal, Harcourt speak so favourably, but hope
so many of them will never be so closely confined again—
I shall write you again on this Subject—

Sept 1815

I have written you much under different
circumstances to go by this respect the Roxana. I
have yet much to write and if possible of a
more unpleasant nature than what I have
had occasion to mention since my coming
here. -

I mention being informed
of our Prisoners being sent to the goal here,
last night brought me a letter from Mr.
James Trask Capt Lane and four others,
informing me of their having been brought
from Melville Island and were then
confined in the dungeons of the common goal.

This morning at 8 O'clock, I sent
a letter to Mr. Miller, of which you have
herewith a copy. about 3 P.M. he called
on and accompanied me to the goal, there
I found the persons mentioned on the list
herewith. The six officers of Privateers are
in one dungeon, having a light of about
24 by 10 inches grated. The dungeon is
9 feet by 7 feet. in two similar holes, are
ten men belonging to the crew of the Chesapeake,
5 in each. I have already informed you
Eleven of this crew have been sent on board
different of the B.M. ship of war. - In
addition to this, I lament to have occasion
to

circumstances to go by this respect the Roxana.
21 Sept

to inform you that, besides the fifty nine men belonging to our troops sent here from Canada, they have picked one hundred & seven men from the prison at Melville Island, chiefly from crews of Privateers, they are embarked and ready to sail for England. I have asked for the list which the agent had promised me, copy shall be sent you as early as possible. I could not describe & even if time would admit, how painful this unwarrantable conduct renders my situation, as Mr. Miller did not answer my last letter, he proposed to me to see the admiral, informing me, Am^d Griffiths had said to him, he would see me at a very time. But I declined the invitation, satisfied as good could result from it. He had taken his measures and before I could see him tomorrow, our men will be out of the harbour, and no supplication on my part would relieve one of the sixteen from their horrid dungeon. - It is their country that must redeem them: They are all in spirits, confident it will do so. - be assured Sir, that this nor harsher treatment will intimidate a man who is here in confinement, and I hope it will rouse every man who is at home.

I must here observe to you that on Mr. Miller's calling on me & not having written me. I complained of his stating the men as having entered or given them selves up as British subjects. His reply was, it was in consequence of the report made from the ships to him. tho it was evident he did not believe a man had

given himself up as a British subject - I complained of it as ^{an} unwarrantable subterfuge, and a breach of the cartel. - Besides the list he gave me, he mentioned three had been sent to England in the Spartan, Capt. Brenton. - she sailed a few days since, I shall receive their names and forward them to you. -

as the men ordered for England from the Prison were badly off for clothes I could not procure any ready made I requested Mr. Miller to supply them with shirts shoes &c from his stores, which he has promised me to do. This I hope will meet approbation. - I am Sir your most obed^t servant
(signed)

John Mitchell

The man who spoke to me is John Todd of 14 U.S. Regt. born in Prince Georges county Maryland - William Miller of that county knows him & will testify to it J.M.

I request the favor of your informing if any thing has taken place in Washington to cause this strange conduct here, and what measures will be adopted there in consequence. -

I do strongly suspect they are encouraged to these violent measures by persons in the Eastern states with whom I believe there is constant communications. -

My dear Sir

I am Lt. Pelham of the 21st Regt of
the American army who was wounded &
made prisoner on the 11th of November, being
permitted to return to the States on parole
I avail myself of the opportunity to write you
a few lines. - I will be most happy if I have
little attentions which may have been in my
power to show to this officer can testify the
since I shall always feel entertained of the
kindness & experience whilst I was detained
in the United States. -

I write you by Lt Col Boerster who on
arrival here was permitted by his Excellency
Sir Geo. Prevost to return to his Country on
parole as an equivalent to the like indulgence
granted me by your Government it was
at the same time proposed that an exchange
should take place between that Officer & mine
but I have not as yet heard but I have
no doubt from the liberality I have
experienced from Genl. Mason that this
exchange will be concluded, if not
any thing towards forwarding it will
add another obligation to the
one I am under to you. By Lt Col
Boerster a sum of the \$100 was sent me

as to lend me - I regret extremely the unfortunate
turn which matters have taken with regard to
prisoners of War - The willingness with which Sir
Gen. Prevost allowed Capt. Boscawen & Lieut. & a com-
pany of the 4th Regt. to return to the States on the
arrival here of Capt. Gordon & myself & with which he
permits Lieut. Pelham as a wounded officer, now to
proceed must show the desire of his Excellency to
ameliorate their situation as far as in his power.
It must your Government in any act which can have
that tendency.

Montreal

Petersburg Jan. 14. 1814

My dear Sir,

Since my return of the 7th inst. I
staid at Burlington I have thought advisable to
move nearer on to the lines & send a flag bearer
here with my dispatches, in this I have been
somewhat guided by the hope that in case one

intention does exist on the part of your Government
to exchange prisoners if the proposition I am authorized
to make should meet with some minor difficulties
Mr George might be induced to permit me to pro-
ceed to Montreal in order to make verbally
such respective explanations as might perhaps lead
to a mutual understanding on the subject

I receive your much esteemed favor of the
6 inst. as I was not at Plattsburg on St Pelham's
arrival here. Genl. Wilkinson forwarded your
Letter to Col. Barclay.

Your kind attention to St Pelham
is felt the more sensibly as he is an intimate
friend of mine, & it would be exceedingly
gratifying to me could it be in my power
to contribute in any manner to effecting your
exchange partially in the manner suggested
it would seem from the nature of my inst-
ructions that it is dependant or rather it is a
part of the proposition I am instructed to make

It is to be doubted if the Flag I send in will
be permitted to proceed farther than Ogdontown
should it however contrary to my expectations
go on to Montreal I will crave of you toward
Capt. Lamon the Bearer the civilities he so
richly deserves.

I have been instructed by the

ceed on to this place and make a very interesting
communication to General Sir George Prevost
by a flag on the subject of Prisoners of War.

You being designated as the Officer, Bureau
of the flag will be pleased to take charge of the
dispatches herewith and deposit to Gen. Sir Geo.
Prevost.

It would be interesting could you be per-
mitted to proceed on to deliver the dispatch
in person to Sir George as it would ensure
celerity in the return of the answer.

In case you should be permitted to pro-
ceed on & you should perceive that the proposed
sum instructed to make and of which you
are the Bureau meet with some obstacles you
will endeavor to impress on the minds of
Sir George & Col. Meyers that it might be
very interesting to a favorable issue of this
proposed negotiation of exchange should per-
mission be granted me to proceed to Montreal.

If on your arrival at the first post of the
enemy you find that it is impracticable to pro-
ceed farther you will then deliver the dispatches to

the Comd. Officer of the post — recommending in
a particular manner that it be sent on with
the least possible delay to (contrasts of endeavour to

approbation -

Enclosed is Copy of Col. Myers letter of the 5th
inst. - it was brought over by Lieut. Pelham (who
was wounded in the affair of the 11th Nov. by the
intercession of Col. Myers, permitted to return
home on Parole -)

I would here observe that the words 'and to
move your Government in any Act which can
'have that tendency', are interlined, in the
Original - Probably done, after reflection -

May we not infer from this, ^{that Sir George} is perhaps inclined,
either, to be more favorably disposed towards an
exchange or at least, to a less barbarous treatment
towards our Prisoners -

Yours, John Mason
Com. of Prisons, war
Washington City

Copy of my letter

of instructions to Maria Lomas, as they appear
is also enclosed - I considered it most ad-
-visable, to communicate verbally, those respecting
letters, & avoiding the subject of Retaliation,
as directed by your letter of the 15th ult.

Having always in view the importance, of
bringing Sir George, to a point, that will oblige
him to Disclose his intentions & views, I conceived
it might be conducive thereto, to make an
indirect proposal for permission to proceed to
Montreal, in case of any maine objections to the
proposition of exchange -

I am &c &c &c to be
Yrs,

Very Respectfully

Recd Sept 14. 1863

on Board the S. S. Sloop Ship Brunswick Charleston
and Feb 25
England July 2. 1813

The Humble letter of Henry Kelly, Captain, being to the 13
Regt. of S. S. was taken action in 1812
the command of Co. Scott and by the use were brought from
Shence to Dublin where I with 24 others was taken out
of the rest of the prisoners and put on Board a man of
War and took us to England with the intention to put
us to Death for fighting against them on account of being
enemies of British Subjects and natives of Ireland they tried
us in every way that they could possibly do, when they could
not put us to Death they used Every tyrannical means to
make us feel in the service they have done so much as to
bring us in the gangway and read their articles of war and
punish in the most tyrannical manner one named Peter
Warr was one of the sufferers it was by the command of
Capt. Kelly commander of the sloop lying at the time
on the 4th of March I wrote repeatedly to the American
Agent and when I found he would not give me so much
consolation as to answer a letter I sent one my
friend Mr. G. and gave it to him and asked
him the reason that he did not do come here for us
and the agent told him we were none of his People But

British Subjects and that we must share the consequence.
I hope that the conduct such a man will be taken notice
of to inform your Honour that we are possess of that
Spirit of Patriotism for our adopted Country that the
Lash of the tyrants cannot alter they have at last
Sent us to this Prison Ship but will not give us a
Regular turn in Exchange but are Determined to
Keep us until the last, But I flatter myself with
the hope that you will be so kind as to make our
Miserable Situation known to the President that we
May be exchanged, there is 3 out of the number has
Died with the unusual fatigues & cold for the want
of clothing we had neither ^{Shoes or Stockings} on the winter But
was obliged to keep on Duck which is sufficient to
make your Honour think what is very just that
their Tyranny has no limits.

With the greatest Respect I

Remain your Honours Humble

Servant Henry Kelly

Sir,

I had the honor to receive yesterday your letters of the 15th Janr 6th, 6th and 8th March - I shall avail myself of the earliest occasion to notice their contents - In the mean time I have to inform you - that I have communicated to the Transport Board the correspondence between yourself and Mr Baker on the subject of the Restoration of Prisoners and have called on them to undertake the Transportation to the United States of four Prisoners in this country - Prior however to the receipt of your letter on this subject I had engaged in this port 9 ships for the conveyance of our Prisoners several of which have sailed for Plymouth, to take them on board - I in the first instance, endeavoured to engage vessels at Portsmouth and Plymouth but the turn of affairs in France having induced this Government to take up Transports for the conveyance of Troops, I could obtain none in these ports.

The Honorable

John Mason

Je Je Je

It is with extreme regret I have to state that on the 6th Instant, the Guard of the Depot at Dartmouth by order of the Agent, fired on the American Prisoners, killed 5 and wounded 32, I transmit herewith two reports of this unfortunate affair one from the Transport Board and one from the Admiralty Office through the Foreign Office. -

By the latter you will perceive that the Prisoners are accused of having attempted to liberate themselves by force, and are stated to have been urged to this, by the Impression they were under, that their own Government had neglected to provide means for their early conveyance home. -

As the Prisoners have been constantly informed of the Coercions made by me, for their release and as on this occasion I had written twice to let them know, the number of vessels taken up for their conveyance home and the time they might be expected at Plymouth. - It is difficult to believe under such circumstances that this is really the cause of this melancholy occurrence, I shall therefore enquire most minutely into all the

circumstances attending it and shall communicate the result to you, as also the names of those who have been killed and wounded. -

I am,

Sir,

Your Obedient Servant

of France - respecting the
parole of Gustav Hall &
Captain Wilson,

⑥

Extract of a letter from the Commissary General
of Prisoners to John Smith Esquire Marshal of
Perry Loania. — dated November 23^d 1811

Application by persons of the first respecta-
bility having been made in favor of General Reall
and Captain Alderson, now Prisoners of war in our pos-
session, I have been induced to grant permission to
those Officers, in consideration of their wounds and of their
standing, to return on parole to England. I enclose a
copy of a letter I wrote to Deputy Marshal Melville at
Pittsfield on that subject, and have to request you will
be pleased to take immediate ^{steps} for their proper reception,
at Lancaster, where they are to remain until a Cartel
and place of embarkation, shall be notified to you
from this Office. — by a letter just received from Mr
Melville, I learn that these Gentlemen had left Pittsfield
under Parole for Lancaster, where I have before said
you will understand they are to continue until further
orders from me.

2

Extract of a letter from the Commissary General of
Prisoners to Major Thomas Melville Deputy Marshal of
Massachusetts at Pittsfield dated Nov. 8th 1814.

At the request of General Scott and Mr. Parish
I have consented to permit Major General Riall and
Captain Wilson, British Officers now in ^{your} charge at
Pittsfield, to go on their Parole to England; this having
been determined on, I am desirous of affording these
Gentlemen every facility and accommodation in my power;
to give them an opportunity of embarking early, there
seems to be but two means; the one, to permit them to
embark at Salem for Halifax by the first Cartel, and
thence to proceed to England - the other, to allow them
to advance to some convenient Inland town, there to
wait the departure of a Cartel from one of our Atlantic
Ports; in this last case Lancaster in Pennsylvania
presents itself as the proper place, being convenient to
Philadelphia, from which Carrels will sail this Fall
- you will offer them the election of the two courses

81

to General Keell - if he chooses the first, they remain at Pittsfield until a Cartel offers at Salem, of which it is proper you should inform him. I have by no means any certainty - if he adopts the latter course, you will parole them in the usual way, to proceed to Lancaster, by a designated route, - which is to avoid the City of New York, and its immediate vicinity and all Military Ports, and to provide that they report themselves immediately on their arrival at Lancaster, to the Deputy Marshal at that place."

Office of Commissary General of Prisoners

Washington & Town^d 24th 1814

Sir

Since the date of my letter of the 23^d instant, I have learned from Mr Parish, that General Riell and Captain Wilson are desirous of embarking in the Russian Ship Alexander Pavlovitch, now in the Delaware, to which there is no objection, provided, they go on board the Ship at some point, on either side of the River, which may be found most convenient, below all Military Works and posts or Naval equipments; and that they proceed to such point by a prescribed route, so as to avoid such works posts and equipments, as in the judgement of General Gaines and Commodore Rodgers ought to be ~~so~~ avoided, to which end, you will be pleased to consult those Officers, and be governed by their opinions.

I enclose you copy of the Parole taken from General Riell (that from Captain Wilson is similar) ~~taken~~ by Major Melville Agent for Prisoners at Pittsfield, which are sufficient as to their object,

John. Smith Esquire
Marshal of Pennsylvania

you

You will have ~~in return~~ to give them Passports to go from Lancaster to the point of embarkation - prescribing the route, which route must in addition to the exceptions before made; also avoid Philadelphia - as to my own impression, in the present state of things, altho' there may be no works of defence, immediately at the City, it is to be presumed, that the Citizens of Philadelphia at a time, when attack may be expected, will not see, without apprehension of some possible consequence of an improper nature, a General Officer of distinction belonging to the Enemy, and just about to return to him, in the midst of their City.

The friends of these British Officers have applied for permission to them to visit Philadelphia for a few days, in order to consult Doctor Physick about their wounds which are severe - I regret therefore that I do not feel myself at liberty to grant this request, and I mention these reasons, that you may if necessary state them - I will readily however if they wish it

agree

agree that they come to some Village near Philadelphia
at which their Physician can conveniently attend them,
and to which in the opinion of the Commanding Officer
it may not be improper they should go).

I have the honor to be Geo

Sir

I have received your two letters on the subject of General Riall and Captain Wilson, by which I find you have fixed in conjunction with General Gaines and Commodore Rodgers on the place of their location and embarkation. I enclose you a letter for General Riall and one for the British Transport Board, which I have requested him to do me the favor to take charge of and to convey. You will be pleased to hand them to him.
